Guilford County Schools

ACES Program

Snow & Ice and other inclement weather

ACES will not operate when school is CLOSED FOR STUDENTS or DISMISSED EARLY due to inclement weather.

ACES does not operate on days when school is closed, even if the day is designated as an "Optional Teacher Workday".

If school is closed early, parents must pick up their children by the announced school closing time.

If school lets out at the usual time but weather conditions worsen during the ACES hours, parents are strongly encouraged to pick up their child as early as possible so the family and ACES staff can get home before roads are unsafe.

Closing information can be obtained on the GCS website at www.gcsnc.com, The School Zone on Cable Channel 2 or by tuning in to local TV and radio stations.
