NOTE: Ending dates are provided when employees are employed on a time specific contract (i.e. LOA replacements, interim/temporary contracts where teachers would not be able to complete 120 work days associated with a probationary contract). Ending dates are not provided for non-temporary contracts because these are up for renewal during the spring contract renewal process, which is taken to the Board for approval. Classified appointments will have end dates only when employed on time specific assignments such as LOA replacements. Generally these employees are hired to be ongoing, so long as funds and the need for the positions exist.
