The Board is committed to the safety of students, employees and other persons on school property. In order to create and maintain a safe school environment, the Board directs the Superintendent to establish procedures consistent with the following principles for students who are registered sex offenders as defined by N.C.G.S. 14-208.18:

1. Each student who is a registered sex offender shall be presented to a Committee established by the Superintendent and made up of a representative from the Student Safety office, a principal from student's school, an Exceptional Children's administrator, a representative of the Student Services administration and such other representatives as the Superintendent deems appropriate.
2. The Committee shall consider whether the student should be recommended for expulsion from the Guilford County Schools pursuant to N.C.G.S. 115C-391 (d) or, in the alternative, whether the student can be on campus with additional supervision or in an alternative placement with additional supervision. In the event that the Committee determines that the student cannot enter the school campus regardless of the student's age, and the student is not recommended for expulsion, the Committee shall make recommendations for the student's alternative education.
