

Teachers ask. You choose. Students learn.

Support Our Schools Through DonorsChoose.org

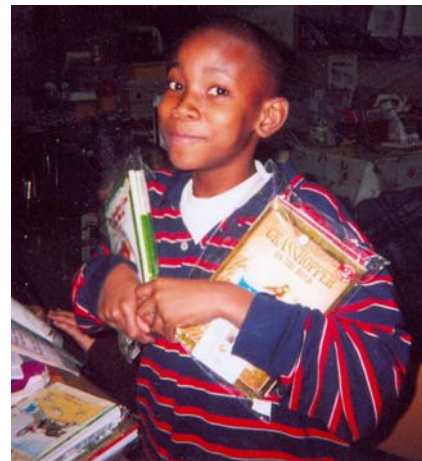

Here's how it works

Go to the **Guilford Education Alliance** website (www.guilfordeducationalliance.org) and click on the link to **DonorsChoose** to get started.

DonorsChoose offers

- Meaningful Choice - from pre-K literacy to science fieldtrips, donors choose a project that appeals to them
- Full Accountability - All projects are screened. **DonorsChoose** sends donors “feedback packages” with letters from teacher and students and photographic documentation of the project
- Portfolio Services - Each donor has an “account” with a record of projects funded and number of students helped. Gift certificates and Gift registries are available.
