

Core Values:

The Board in partnership with parents and community members wants to share these district core values in order to strengthen our schools and improve the quality of life for all of our citizens.

Diversity. We are committed to creating an educational organization where a variety of persons and perspectives are welcome. We are committed to providing an environment where students and staff from all cultures and backgrounds may succeed.

Empathy. We are committed to developing a culture where our employees identify with and understand the feelings of our students and parents and their colleagues.

Equality. We are committed to creating a school system where everyone is appreciated and judged based solely on their contributions and performance. Through the work of this institution, we will create awareness of and develop strategies to understand and eradicate prejudice, discrimination and racism on the individual and organizational level.

Innovativeness. We are committed to fostering a work environment where the goal is not to manage innovations, but to become innovative. Problems are identified, ownership of those problems is assumed by the adults in the district, and everyone works together as agents of the solution until the problems are solved. We will not stop until obstacles are removed, solutions found and clear and compelling goals are established.

Integrity. We are committed to creating a school district that acts with honesty and forthrightness, holding ourselves to high academic and ethical standards, and dealing with everyone with respect.
