**Last Day of ACES** ★  
**Friday, June 18, 2010**  
(unless the school year is extended due to inclement weather)

**Inclement Weather**

- ACES will not operate when school is closed for students or dismissed early due to inclement weather. Even if the cancelled school day is designated as an "Optional Workday", ACES will not operate if students do not go to school.
- If school is closed early, parents must pick up their children by the announced school closing time.
- If school lets out at the usual time but weather conditions worsen during the ACES hours, parents are strongly encouraged to pick up their children as early as possible so the family and ACES staff can get home before roads are unsafe.
- Closing information can be obtained on the GCS Web site at [www.gcsnc.com](http://www.gcsnc.com), The School Zone on Cable Channel 2 or by tuning in to local TV and radio stations.
