

Learning Management System - Moodle User Accounts and Training Options

Training Options

- ✚ “Learning Management System – Moodle”, a six-hour CEU class for course instructors, is offered through the GCS Office of Professional Development at (<http://www.solutionwhere.com/guilford/cw/main.asp>).
- ✚ Short Sessions– A school- or department-based non-credit training for course participants can be arranged with course instructors or by contacting Janice Bradburn at bradbuj@gcsnc.com.

User Accounts

- ✚ Course websites can be obtained by trained instructors by contacting Janice Bradburn at bradbuj@gcsnc.com.
- ✚ Enrollment instructions are obtained from the course instructor. Using these instructions, course participants create their own Moodle accounts and will be assigned a course by the course instructor or by using an enrollment key provided by their course instructor.
