Violations of expectations and policies will result in the following consequences*:

1st – Warning

2nd – Student/teacher conference

3rd – Lunch detention, Action Reflection & Parent Contact

4th – Office Referral/Removal from class & Parent Contact

*consequences may vary with severity of actions

Homework:

The purpose of homework is to practice what we've been working on in class, or to prepare for class. Whether there is a specific written assignment, project, or presentation, it is expected that you will also spend some time each day outside of class reviewing Spanish; even just 15 minutes a night can be very helpful.

Late/Makeup

Assignments are due on the determined date. Assignments that are late (not due to an absence) will be penalized 10 points.

Any time that you are absent, it is your responsibility to find out what was missed **and complete it.** You will have up to 3 days after an absence to complete make-up work for full credit.

If you are absent on the day that an assignment is due, you are expected to turn it in or to give your presentation upon returning to class.

Due to the nature of certain tasks or assessments, it may be required that you attend a tutorial session to complete the missing work.

Work will only be accepted during the unit in which it was assigned. If you consistently miss due dates, your parent and/or administrators may become involved. For any extenuating circumstances, please make sure that you speak with me.

Phones

Phones should only be out if being used for a class activity. Phones should be away in backpacks by the time the bell rings. You will receive one warning.
