2023 SUMMER CAMP SESSION

COME IMPROVE YOUR SKILLS!

The summer session is designed to help players of all levels improve their skills and understand the techniques of the game of baseball. Fundamental instruction, individual and team competitions are all part of the camp experience. Our staff, which includes college and high school players as well as current high school players, will help develop solid fundamental baseball skills in a fun, yet intense atmosphere.

We do our best to prepare the campers for the reality of their dreams of competing on the high school level. The campers are given insight on the high school world of baseball from players and coaches. We also stress the proper attitude towards family, academics, and athletics.
