Mission

Strive to educate students holistically in an affirming, supportive and safe environment. We aim to assist students in attaining their full academic, social and emotional potential.

Vision

Empower students to realize and achieve their goals in a supportive, collaborative, and innovative environment.

- Hold ourselves accountable for every student's success.
- Encourage stakeholder input, knowing that all voices have power.
- Adapt, change, and overcome to meet the diverse needs of our students.

We will provide an educational environment in which differences are valued, growth and excellence are expected, and innovation and creativity are encouraged.

What We Offer

- AP Seminar and Research courses preparing students for success at the college level
- Over 17 Advanced Placement course offerings
- Flexibility in course schedule based on student strengths and preferences
- Leadership through service-learning opportunities.
- Focus on research based instructional strategies and data-driven instruction.

Points of Pride
