

Dear AJE scholars and families,

We are super excited about the beginning of the 20-21 School Year. We have several events planned for the upcoming weeks to continue communicating with you and to provide direction for our Jaybird families and community. Working together is key for our scholars' success and we can make this year **#AJExceptional**. Please refer to the information below and do not hesitate to contact the school if you have any questions.

Virtual Information and Q & A session for parents/caregivers: We will have a short presentation with important information and then open the floor for questions. The links for the virtual meeting for each language are embedded in the language/time.

Welcome message from our AJE Staff and Mascot: Check your ClassDojo and Our Website with the video message from our staff and mascot on Wednesday, August 12th after 6:00 pm.

Teachers begin calling scholars and their families: Our teachers and staff will reach out once class rosters are finalized. With the enrollment in the eLearning Virtual Academy, our teacher allotment might vary. Therefore, we will be finalizing class rosters as soon as we can, and you will receive information on who your scholar's homeroom teacher will be.

Device distribution: Beginning the week of August 17th, we will begin the device distribution to the families that need a device to complete remote learning. We will send more information about times and logistics through Connect-Ed and ClassDojo to those families not later than Friday, August 14th.

Open House: Open house plans are still being finalized and will be shared with our AJE families soon.
