

## AJE Remote Learning Pledge

Our Goal at AJE is to keep scholars' minds actively engaged with school and to connect with teachers. Scholars will receive feedback from teachers and receive grades for their assignments. This will give teachers the flexibility to monitor scholars' completion and performance on assignments while also providing them with information on their progress.

**As an #AJExceptional Scholar and a digital citizen, I pledge to SOAR:**

### Showing Responsibility. I will ...

- Do my best to complete my remote learning schoolwork and assignments and attending live sessions.
- Stay focused, fully engaged during synchronous and asynchronous sessions.
- Remember that my teachers and administrators can see whatever I do and say on the school's device during video meetings, in emails and chats, and on shared documents.
- Not share my school account passwords with anyone other than my teacher and parent or caregiver.

### Outstanding Effort. I will ...

- Log into Canvas daily and complete all my assignments in a timely manner and by the due dates.
- Set specific times to work on my remote learning and schoolwork.
- Be a problem solver using the tools I have.
- Have all my materials ready during live sessions.
- Communicate with my teacher if I'm confused about or need help with anything, if I'm having trouble managing my workload, or if I can't access something I need for class.

### Accepting Others. I will ...

- Give credit to the sources of online information I use for schoolwork.
- Know that not all information online is true.
- Be a good friend to my classmates. Stay muted so we can hear each other.
- Be aware of what is around you -make sure your background is not distracting. Camera use is optional; However your teacher **may ask you** to turn on your camera to show your work

### Respect Myself and others. I will ...

- Tell my teacher if I'm confused about anything or need help.
- Be a good friend to my classmates.
- Make sure there's time in my day for doing activities that don't involve electronic devices, like exercising and eating healthy food.
- Dress in appropriate clothes for live lessons.

### In exchange, my parent or caregiver will ...

- Support my digital learning by setting me up for success.
- Communicate regularly with my teacher about my progress through ClassDojo and Canvas.
- Help me use technology responsibly and safely and be a good digital citizen.
- Talk to me about the consequences of my behavior.
