On Painting Day, check in with the PTSO volunteer. You will need:

1. Your copy of your design.
2. A receipt showing that you paid the GCS parking fee and the school hangtag with your parking number.
3. A form of ID showing your name.
4. A broom to sweep your space before you begin to paint.
5. Painting supplies (brushes, paint roller, painters' tape, bucket of water, ect...
6. Newspaper, tarp and tape to block off areas that are not part of your space, so they don't get paint on them.
7. Pop up tent, Umbrella, or other shade source.
8. **WATER** and don't forget to wear a hat and sunscreen!

Parking spaces will be the students personal parking space until the end of the year at which time the STUDENT will paint over the space with black water-based exterior latex paint. Suggested Materials, Tips and Hints

Check in upon arrival with approved design form, receipt of payment or \$25 cash (exact change) or a check made out to SEHS PTSO, space number, and ID.

Water based primer paint/base coat if desired — it takes about 2 gallons for a base coat.

Paint can be expensive, so ask family and friend if they have extra paint to donate. Consider limiting the number of colors in your design or sharing paint colors with friends. Consider that complicated designs may take a lot of paint, time, and could be costly.

Chalk to sketch out your design before painting.

Paint brushes/rollers — try to use a roller with extension handle for the base coat or large areas

Paint pans or plastic containers for water, brushes and paint stirrers

Painters tape to mark of 4" from white lines

Plastic drop cloths to put under paint cans (remember paint can't be erased)

Broom to sweep space

Old cloths or paper towels

A bag for your trash

Pop up canopy or sunshade, sunscreen, sun visor or hat. Protect yourself from the sun!
