

What do I need to know?

Information on Applying to **Elementary and Middle School Magnet Programs**

Where do I go to get information about my magnet options?

Please explore our [Guilford County Schools Catalog](#) to learn more about our 126 schools. The [Magnet Schools webpage](#) has more information about the magnet options available.

During the application window – March 13 to April 5 – there will be many opportunities to learn more about our choice schools and programs:

- Choice Showcase - March 13, 2019 from 5:30-8:30 pm at the Greensboro Coliseum Special Events Center
- Open Houses – dates and times for each school will be posted on the GCS Magnet Schools webpage
- Tuesday Tours – March 19, March 26 and April 2 – times for each school will be posted on the Magnet webpage

How do I access the online magnet application?

Beginning on March 13 at 5:30 pm, the link to the online magnet application will be available and posted on the GCS website main page, on the Magnet Schools page and shared through multiple social media outlets.

Step One:

Clicking on this link will take you to a Welcome Page where you will be asked to create a family account. Each family should create ONE family account for all of the children in the household. Families will be required to provide a cell phone number or email address as part of the application process. Families may select an alternate language to complete the process.

Welcome to Guilford County Schools! Please login by entering your username and password below. If you do not remember your login credentials, use the Forgot Username or Forgot Password prompts below.

Welcome to the Guilford County Schools Online Enrollment Portal!

This portal can be used to:

- Enroll your child in school
- Complete required forms
- Update contact information for you and your family

Create your account by clicking "**Create an Account**"

The screenshot shows a login interface with the following elements:

- Log In** header
- Input field for "Email Address or Mobile Number" with a "Forgot Username?" link to its right.
- Input field for "Password" with a "Forgot Password?" link to its right.
- A green button labeled "Ready, Set, Go!"
- A footer message: "If you don't have an account, click here to [Create an Account](#)"

Step Two:

Complete a separate application for each child who is applying for a magnet program. A list of available schools based on your attendance zone will appear. Select the schools that you wish to apply to and list them in order of preference. Read the Magnet Schools procedures carefully before completing the requested information. Once you submit the application, you may not make any further changes so fill in each area carefully.

What information will I need to have available as I am completing the application?

- Mobile/cell phone number and/or email address
- Home address
- GCS Student ID number if student is currently enrolled in GCS (same as student's lunch number)
- PowerSchool Student ID number if student is currently enrolled in a charter school
- Current school name if applicable
- School assignment by attendance zone for next school year (use the [School Assignment Locator](#) if unsure)

If applying to Brown Summit Middle Center for Advanced Academics, students will also need to upload the following documents:

- An electronic copy of last year's final report card
- An electronic copy of this year's most recent report card
- An electronic copy of last year's math and reading EOG scores

How many schools can I apply to?

Each child may apply for up to **three** elementary magnet schools. You will be asked to rank order the schools by preference. Select your first choice school as number one.

Each child may apply for up to **three** middle school magnet programs unless they wish to apply for Brown Summit Middle Center for Advanced Academics. If Brown Summit is one of the selected schools, families may select up to **four** choices. Brown Summit Center for Advanced Academics has a separate criteria-based application that is not part of the magnet lottery so if selected, Brown Summit should be listed as the student's **last choice**. This will not impact the selection process for Brown Summit and will ensure that the student also has a chance to be considered for his/her first choice in the lottery.

The only choice available for pre-kindergarten applicants will be one Montessori magnet school.

The application deadline is April 5, 2019 at 5:00 pm. Any applications submitted after that date/time will be classified as late applications and will not be considered in the first round of the selection process.

When will I know if my child has been offered a magnet seat?

Families will receive notification of magnet seat offers by April 30, 2019. Notifications will be communicated by email or text according to the notification method selected when families set up their account. Families must accept or decline offers by May 10, 2019.

Once a family has accepted an offer from a magnet school, they will receive a link to request transportation and information from the school to complete the enrollment and registration process.

Who do I contact if I need help?

For technical assistance, contact support@schoolmint.com.

For school assignment questions, contact the Student Assignment Office (336-370-8303).

For questions about specific school programs, contact the school directly.
