- I understand that I do not own any material I may create or post on the Internet at school. Any information I create, transmit, or store may be inspected by an authorized GCS staff person for any reason without my permission or knowledge.
- Anything that I do on the Internet while at school may be monitored by a teacher or other staff member.
- I have read and understand the Digital Citizenship Rules and Unacceptable Uses of the Internet found in the GCS [Student Handbook](#).

- I agree to follow the Digital Citizenship Rules and not to engage in any activity that is an Unacceptable Use when I use the Internet at school.
- If I do not follow the Digital Citizenship Rules or if I engage in any of the Unacceptable Uses, I may lose Internet access at school and my device may be taken away from me. There may also be disciplinary actions taken against me under the GCS Code of Student Conduct, which could include a suspension or expulsion from school. I may also be violating the laws of North Carolina or of the United States.
- I will handle and store the device safely and properly.
- I will report to the school any damage, loss or theft as soon as reasonably possible.
- I understand that not reporting damage (accidental or intentional) to a device I am using that requires repair may cause me to be fined once the damage is discovered by GCS staff.
