

About Me

Welcome! My name is Tamara Clarida and I am so excited to be teaching second grade at Sternberger School this year! After several years as a Curriculum Facilitator, I am super excited to get back in the classroom and can't wait to start working with students.

TEACHING

I enjoy teaching and working with students at school and church. I love experimenting in the kitchen with vegetarian meals. I enjoy spending time with my husband and two children. I also enjoy relaxing with long walks or watching cooking shows on Food Network.
