

IB and AP Exam Schedule May 2024

All Exams will take place on campus in the Auxiliary Gym or at Hope Chapel

***NOTE: When a student’s AP and IB exams conflict, the IB exam takes precedent. The student will take the LATE AP exam. IB exams are not negotiable; there are no LATE IB exams.** When two IB exams conflict, we must request special permission to start one of the exams later. The exam must still be given on the date assigned by IB; all students taking the IB exam in conflict will start the exam at the same time. **When two AP exams conflict, students will take one of the exams during the LATE AP exam session.** Students do not have a choice as to which exam is taken during the LATE AP exam session.

Late AP exam requests for personal/family reasons should be sent to Mr. Barnard, barnarr@gcsnc.com. The family will have to pay a fee to test late. The only other reason for a Late AP exam is what AP classifies as “Serious illness or injury” or “Death in the family.” If this applies, email Mr. Barnard within 24 hours of the missed exam, so he can order a late exam. Medical documentation is required. This is a time sensitive process, so please email him ASAP concerning this request.

Please note that all AP exams are roughly four hours because the testing session includes general instructions, time for testing, time for breaks, and time to distribute and collect exams. For large exams, this may take a longer time than usual. Plan on being finished around 12:00 PM for morning AP exams and 4:00 PM for afternoon AP exams. In some instances, morning exams may run a little over, so afternoon exams may have a slightly later start/end time. Please be patient as we work to provide all students with a quality testing environment. We recommend that you do not schedule appointments close to the anticipated start or end time of an exam.
