

Grimsley High School International Baccalaureate Program

Grimsley is a certified International Baccalaureate World School, offering nearly three dozen sections of different IB courses in all disciplines. Our current senior class boasts 41 members en route to Diploma status, 61 juniors engaged full time, and over 100 additional students enrolled in 1 or more IB courses.

A SUMMARY OF THE IB PROGRAM AT GRIMSLEY HIGH SCHOOL

How do I earn an IB Diploma?

- Earn 24 IB Diploma Points by...
 - Participating in and completing internal/external assessments (i.e. exams) for 6 IB courses
 - Completing a Theory of Knowledge (TOK) course and assessment
 - Writing an original Extended Essay (the EE)
 - Completing a Creativity, Activity, and Service (CAS) Portfolio

What do I need to know about the 6 IB Courses?

- 3 must be Higher Level (HL) courses (No more than 4)—taken over 2 years
- 3 can be Standard Level (SL) courses (No fewer than 2)—taken over 1-2 years
- Each class comes from a different IB subject area (English, Foreign Language, Social Studies, Science, Math, and the Arts)

What is Theory of Knowledge (TOK)?

- A course to develop students' critical thinking
- Students will complete a TOK Presentation
- Students will also complete TOK Essay on one of six IB prescribed titles
- Students will work on CAS and their Extended Essay in TOK

What is the Extended Essay (EE)?

- An in-depth independent research of a specific topic chosen by the student
- Completed with consultation with a supervisor (Usually a classroom teacher)
- Maximum of 4000 words
- Roughly 40 hours of research, writing, and reflection over 2 years
- Much of this work will be accomplished in second semester of TOK

What is the Creativity, Activity, and Service (CAS) Portfolio?

- Begins junior year and completed over 2 years. Students learn outside the classroom through...
 - Creativity—encourages students to engage and think critically about the arts
 - Activity—seeks to develop a healthy lifestyle through physical activity
 - Service—providing service to the community as a vehicle for new learning
- Includes a reflective log throughout the CAS experience with evidence of learning outcomes
- Students will receive instruction and class time to document and reflect on CAS in TOK
