School Information

EMC @ GTCC-J is a cooperative innovative magnet high school. The high school schedule is on a 4-block semester. To graduate, students must meet the state of NC graduation requirements and local course requirements. Students can be approved to stay for a 5th year to work towards finishing a college credential, including AAS, AA, AS, diploma or certificate. For more information on Guilford County Schools and its graduation requirements visit www.gcsnc.com/pages/gcsnc.

The school is located in a suburban community and serves students from all parts of Guilford County, NC. Our host college is Guilford Technical Community College (GTCC) and we are located on the Jamestown Campus. Our students have access to almost all college pathways, only those excluded are due to age restrictions. More information about GTCC is available at www.gtcc.edu

Class Rank

The grade point average is computed at the end of each semester and includes all subjects in which a student receives a numerical grade. It is determined on a four-point system, with grades for Honors and college courses assigned one half and one additional quality points respectively. Cumulative class rank is provided on a student's transcript.

Grading Scale

Grade	Standard	Honors	College
90-100	A	4	5
80-89	B	3	4
70-79	C	2	3
60-69	D	1	2
0-59	F	0	0

Data

Graduation Rate: 100%

Class of 2023 Distinctions

The class of 2023 had 63 graduates, total. Of the 63, 32 graduated with a NC high school diploma and numerous, transferable college credits. The remaining

31 graduates graduated with not only their NC high school diploma, but also an Associate Degree that will transfer to all UNC system schools, per the CAA. Of the 63 graduates, 6 earned their Service Learning Diploma (documented 250+ hours of service learning) and 16 earned the distinction of being a NC Academic Scholar. 5

One of our graduates earned the prestigious Levine Scholarship. Many other students earned scholarships, as well.
