

By-Laws for The Middle College at GTCC High Point School Improvement Team (SIT)/Leadership Team (SLT)

Purpose Statement: Our school improvement planning is a time for shared decision making at the school level. We will ensure that we continue to create an academically rigorous environment while taking into consideration our students' social and emotional well-being. We will create a culture in which all stakeholders have a voice. The primary goal of our SIT shall be to support the school's vision and mission and address concerns around student achievement and learning loss.

MCHP Vision: All Middle College at GTCC High Point students will graduate as globally competitive career and college ready adults who will positively impact their communities.

MCHP Mission: The Middle College at GTCC High Point is a relationship-based learning community that supports all students through rigorous standards for academics, integrity, leadership and global citizenship.

Expectations: The following are expected during SIT meetings.

- Respect one another and individual opinions.
- Contribute to the discussion
- Honor each other: One person speaks at a time – don't monopolize the meeting.
- Agree to disagree but be willing to come to consensus.
- Attend all meetings; unless there is an emergency
- Stay focused. Do not bring other work to work on.
- Refrain from using student/faculty names during meetings.
- Celebrate successes!

Terms: Our School Improvement Team will consist of a representative from each content area/department. Members will serve for a term of two years before rotating off. We will seek at least one parent representative that will serve a two-year term as well.

At the end of an election cycle, 2years, we will conduct our SIT vote for new representatives prior to the next school year. They will be elected no later than June 30th of that year. Current and incoming representatives will attend the last SIT meeting of the school year, but only the current representative will have voting rights. The elected SIT representatives will serve a 2-year term.

Parent representatives will also serve a 2-year term, if willing. In order to get a variety of parent input, parent representatives should only serve one term unless no other parent is interested.

In the case of being a singleton or lack of interest in serving on the SIT, representatives may serve a maximum of two consecutive terms; four years. Any representative serving 2 consecutive terms may be re-elected after a 1 term (2 year) break. Beginning teachers may not serve as SIT representatives without a signed waiver and approval from principal.

If a team representative cannot fulfill their elected term, a new representative will be elected to complete the term. The team will hold a secret ballot election prior to the next SIT meeting. Ballots will be submitted to the school principal for confirmation.

Operating Procedures:

We will operate under the constituency consensus process (each team member has one vote) using multiple voting techniques.

Multiple Voting Techniques Include:

- Thumbs up, sideways, thumbs down
- Without objection – “no” vote
- Motion and ask for hands to vote
