Dear Parent or Guardian,

This year we are making parking passes available for students to purchase should they choose to drive to school. We have a limited number of passes that will be provided on a first come-first serve basis, so we encourage you to complete the form included on this letter with your signature to authorize your child to drive and park at school. The parking decals cost \$40 per decal and are good for the 2019-2020 school year. Students who have a decal are expected to have the decal in their car when they park or there could be penalties for parking without a decal. The decals can be put on the rear-view mirror of the car.

Proof of license possession and the form below must be presented when purchasing the decal. If a license is not present upon payment or this form authorizing your child to purchase a decal, a parking decal will not be provided. Funds are to be turned into the school Treasurer—Mr. Howard—who will then assign a parking pass upon also seeing proof of license possession. It is the student’s responsibility to keep up with their decals. If they lose them and no more are left for purchase, refunds will not be issued. If you have any questions relating to parking, feel free to give us a call or come visit to speak with an administrator who can address your concerns.

Warmest regards,
Your Name Assistant Principal
