Painting Requirements

- **Paint must be water based interior/exterior latex.**
- **Do not** cover the white lines, front curb/bumper block, or number of the parking space. Students must leave 4 inches between the white lines and the design. It is advisable to tape this border off prior to painting. It takes about 2 gallons if you want to do a base coat, before painting your design. Old paint works really well also.
- **No** spray, fluorescent, reflective, glitter, oil based, or other types of paint allowed
- **No** offensive language, pictures, flags, or symbols.
- **No** negative or rude language.
- **No** symbols related to gang-activity or gang-style tagging.
- **No** double meanings, nicknames, girlfriend/boyfriend names, etc. Only your own name will be allowed.
- **No** use of names belonging to other students.

Prohibited items will be painted over at the discretion of the Administration and you will forfeit your right to a parking space. Your money will not be refunded.

Painting days will be August 10th, 11th, 12th, and 15th from 8:30- 4:00. We suggest that the you start painting early, because it gets hot in the afternoon. We may have a second round of painting November 30th- December 5th for those just getting their license and want to paint, if there is an interest. If you will be out of town during the painting days, please contact me at sppapier@gmail.com

On Painting Day, check in at the PTSO car in the parking lot starting at 8:30 AM.

You will need:

- 1. Your copy of your design.**
- 2. A receipt showing that you have paid for the Regular Parking Permit and Painting Privileges, and your spot number.**
- 3. A form of ID**
- 4. Newspaper, tarp, tape, or something to block off the rest of the parking space so paint will not get on anything other than your designated space.**
- 5. A broom to sweep your space before you begin painting.**
- 6. Paint brushes, paint, painter's tape, a bucket of water, or any other supplies that you might need. Wear sunscreen and bring water.**

Spaces will be the student's personal parking space until the end of the year at which time you will paint over your space. Black paint will be provided by the school. Spaces must be painted over prior to graduation or incur a \$15 fine. The seniors will chose two of their favorite spots, and they will stay that way an additional year.

(This is all subject to modification depending on the start of school)
