homework

Homework is given Monday-Thursday each week and posted on canvas. Homework should also be written in your planner each day.

Students must **SHOW WORK** for homework in class the following day in their homework spiral notebook.

NO WORK = NO CREDIT

If you have been absent, show the last homework you were here for.

class materials

Suggested Materials:

Highlighters, Colored Pens, Tape, Whiteout
Calculator – Math 7 & Accelerated Math 7 **TI-30X or TI-34**
Math 1 **TI-84 Plus – AAA Battery Operated**

Binder

Notebook Paper

Graph Paper

2 Spiral Notebooks

PENCILS (Wooden & Mechanical)

absent work

If you are **absent**, you are responsible for finding your missed work in the absent work bin. You have 3 school days to complete all your missing work and show it to the teacher. You need to put notes into interactive notebook. Use notes and help videos on canvas to help you make up work.

late work

Work should be turned in on its due date. Late work will lose points on a per-day-late basis. Missing homework will result in a zero for the assignment. All canvas assignments are open for 3 days with a late penalty.

Classwork

Homework

tests and quizzes

Each **Friday** you will have a short **Quiz** covering what was learned that week. At the end of each unit you will take a unit post-assessment **Test**. It is your responsibility to study your interactive notebook notes and watch the help videos posted on canvas to help study for upcoming quizzes and tests.

If you are absent for a test/quiz you will need to make it up at the silent lunch table. You can also schedule a time to make it up in the morning.

Corrections Directions –

Earn back up to 1/2 points missed on a test or quiz

To complete corrections you must:

1. Rework the problem missed showing detailed work to support the correct answer.
2. Write one sentence explaining what you did wrong originally.

The original test or quiz and the corrections (on notebook paper) should be turned into your core basket on the counter. **PLEASE DO NOT STAPLE TOGETHER.**

Tutoring is offered mornings from 7:40-8:15am upon request. Students/Parents must confirm tutoring date and time with teacher prior to attending. Students must have a tutoring pass to attend.

Math 1: Tuesday Mornings

Math 7 & Accelerated Math 7: Thursday Mornings
