

Happy Weekend Southwest,

This is your proud principal Dr. Richmond with a weekend message.

I am excited for another weekend and I hope you stay safe and enjoy it. Can you believe we are already at October?

Weekend News from the Ranch

-Picture order forms are coming home today. School pictures will happen on Monday October 16. Please look for those today.

-Color Run Update... have you registered your student online for Color Run? Did you have them email friends and family asking them to help? Many students have success when parents or guardians bring their donation packet to work as well. You can also share on Facebook, Twitter, Instagram or Snap Chat! We are off to a great start, but the Color Run is just getting started!!!

Please enjoy the weekend. Take care of yourself and others.
