

Hello Southwest Middle School Community,

This is your proud principal Dr. Richmond. Today is August 1 and we have just around 27 days till the start of a new school year. I am excited to work with our new families and staff, and I am also excited to continue our work together with our returning families and staff.

There are some important dates, events, and items I want to make sure that I share with you.

2023-2024 Student and Family Handbook

-You will find this as an attachment. Our handbook for this school year has been completely redone and does feature our 2023-2024 Student Dress Code.

Open House

-We will offer three convenient times for you to choose from for open house this year. That date is Wednesday August 23. There is a flyer attached with the times available.

Registration

If you have any questions about registration for students or know someone who needs to register at Southwest, our front office is open daily Monday-Thursday.

Please make sure to like us on Facebook as we share great news and announcements there as well.

I look forward to talking with you later. Take care of yourself and each other.

Sincerely,

Dr. Richmond
