

Fairview Families

WEEKLY UPDATE

Week of August 22nd thru August 26th

- Beginning Monday, August 22nd, scholars will bring home MONDAY FOLDERS each Monday with any important documents from the school and their homeroom classes. Please ensure your child returns this each Tuesday.
- The last pick-up time each day in the afternoon is 1:45pm. It is highly encouraged that your child stays at school all day to maximize their instructional time. The doors open each morning at 7:10am for scholars and the late bell rings at 7:28am daily.
- If you haven't done so yet, check out Fairview on Facebook and Twitter to stay up to date with all things Fairview! Also, if you haven't signed up for ClassDojo yet, please contact your child's teacher to get signed up.
- If your child is a car rider in the afternoon, please continue to remain in your car and not park and approach the side door. Staying in the car allows staff to dismiss scholars with better efficiency and safety.
- Your child will begin receiving a few minutes of homework each night beginning next week. Sometimes it will just be a few math problems or working on sight words, etc. Regardless, it's important that scholars continue to sharpen the skills they learned during the day at home. If you need any free books at home, send Principal Hege a message on ClassDojo!
- Thank you for a GREAT first week back in the Eagles' Nest and your continued support of Fairview Elementary. We look forward to another great week in the Eagles' Nest.

Integrity. Excellence. Teamwork
