

### Grimsley High School Band Information

The following is information about the Grimsley High School Band, if you have further questions; please feel free to contact Mr. Ray at rayj2@gcsnc.com.

The high school band offers three band classes (Wind Ensemble, Concert Band and Jazz Ensemble). Marching Band is not a class, but students enrolled in band participate in marching band and must be enrolled in a band class to participate in marching band.

#### Marching Band

Marching Band is required of all band students. However, there are exemptions.

Exemptions – These are done on a case by case basis.

Examples would include if you play a fall sport such as football, volleyball, or soccer. We have several athletes in the band. SPORTS DO NOT CONFLICT! Other exemptions would also be considered.

The marching band practices Tuesday and Thursday afterschool. Times are 4:40-6:45 pm. Drum line rehearses daily after school.

There are two camps for new members, rookie camp and regular camp.

**Do I have to participate in marching band to be in the high school band?**

No, but you must receive an exemption from Mr. Ray. We strongly encourage you to participate, it is quite a bit of fun and students learn valuable life lessons from this activity.

**Is band camp required?**

Yes! Drum line camp and band camp are required for those in marching band.

**Can I be in jazz ensemble as a 9<sup>th</sup> grader?**

Yes, 9<sup>th</sup> grade students are eligible to audition for jazz ensemble. Placement into this group is audition only.

**Can I get honors credit for band?**

Yes, all high school band students receive honors credit.

**Can I get honors credit for band all four years?**

Yes, students may receive honors credit for band for all four years.

**I am an athlete; how does band affect my athletic participation?**

Being an athlete and being in the band have very few conflicts. The only conflict will be if you play a fall sport, such as football, cheerleading, volleyball or men's soccer. This conflict would only arise if you wanted to be in the marching band. If you are just taking the band class during the day, there will be no conflict.

**I play sports in the winter (basketball, wrestling, etc.) or in the spring (baseball, softball, lacrosse, track, etc.), is there a conflict between band and sports?**

No, these sports do not conflict with band and we work diligently to make sure that there are not sport and band activities on the same day. This is almost impossible to accomplish but we work very hard to minimize any conflict.

Members of the drumline will have a conflict with winter/spring sports. The drumline does indoor competitions during the spring semester.

**Do I have to be enrolled in a band class to audition for all-county band, all-district band or central region jazz band events?**

Yes, it is a requirement of the county and the state that students are enrolled in a band class to audition for these events.

### **Does taking band hurt my GPA?**

Taking band does not hurt your GPA. GPA's are graded on an unweighted grade of 0.0-4.0 and a weighted grade of 0.0-5.0. Advanced Placement/IB courses are receiving a 5.0 GPA for an A. Students receiving an A in a band class can receive a 4.5 GPA for the honors courses.

### **I want to go to UNC-Chapel Hill, will taking band all four years hurt my chances of admission?**

No, universities such as UNC-Chapel Hill and other high scholar schools look for students that are well rounded. Band students are often selected above other students due to the rigor that band requires.

### **Can I take band and meet all my requirements for high school?**

Yes, band does not interfere with your other high school requirements. We have even had students take multiple bands during their senior year because they have open slots in their schedules after meeting all requirements. We have a high number of IB and AP students enrolled in band. A zero period may be needed, almost all students take a zero period.

### **Can I take band and still take other electives?**

Yes, band students can schedule other electives during the academic semester. As students' progress through high school completing required courses, more and more elective slots become available.

### **Who are the Directors/Staff?**

Currently, the Grimsley Band Staff includes Jeremy Ray (director), Zach Baker (drum line) and Hunter Mullins (drum line). We also bring in additional staff for band camp and MPA.

### **How much does it cost to be in marching band?**

There is no band fee for the Grimsley Band. However, we do collect money from each marching band member for the following items.

1. Band T-shirt (\$10)
2. Uniform Cleaning Fee (\$30)
3. Uniform Shoes (\$30 – but only if shoes are needed. All 9<sup>th</sup> grade students must purchase shoes.)

### **Why if I can't pay for the T-shirt, uniform cleaning, drum line uniform, or marching shoes?**

Individual circumstances will be discussed on a case-by-case basis between the parents and director. There are several fundraising opportunities to help pay for your band fee throughout the year.

### **Is there a cost to be in jazz ensemble?**

It does not cost anything to be in jazz ensemble. There is a fee for the jazz polo (\$25) and there may be field trip costs to competitions.

### **Is there a cost to be on the drum line?**

There is an additional cost to be on the drum line. The drum line wears a wind suit and specific shoes for performances throughout the community. Each drum line member is responsible to pay for this uniform.

- Marching band is required, but exemptions are allowed once approved by the band director, however, you must be enrolled in a band class to do marching band.
- You can be an athlete and a band member without conflicts.
