How do I access the online magnet application?

Beginning on March 13 at 5:30 pm, the link to the online magnet application will be available and posted on the GCS website main page, on the Magnet Schools page and shared through multiple social media outlets.

Step Two:

Complete a separate application for each child who is applying for a magnet program. A list of available schools based on your attendance zone will appear. Select the schools that you wish to apply to and list them in order of preference. Read the Magnet Schools procedures carefully before completing the requested information. Once you submit the application, you may not make any further changes so fill in each area carefully.

What information will I need to have available as I am completing the application?

- Mobile/cell phone number and/or email address
- Home address
- GCS Student ID number (same as student's lunch number)
- PowerSchool Student ID number if student is currently enrolled in a charter school
- Current school name
- School assignment by attendance zone for next school year (use the [School Assignment Locator](#) if unsure)
- For some schools:
 - Recommendations from teachers – you will need the name and email address for each teacher
 - Electronic copies of recent report cards, EOG/EOC test scores, resumes
 - Parent/guardian education level and household income
- Students not currently enrolled in GCS may be asked to provide additional documentation.

How many schools can I apply to?

Each student may apply to as many high school options from their list of available choices as they wish. You will be asked to rank order the schools by preference. This rank order will not impact your chances of receiving an offer from each school. However, the rank order will impact whether or not you remain on a waiting list once you receive responses from each school. If you accept an offer, you will remain on the waitlist for any school ranked higher than the school where you accepted the offer, but you will be removed from the waitlist for any school ranked lower.

Once you have completed the application and clicked submit, modifications to the application will no longer be accepted.

The application deadline is April 5, 2019 at 5:00 pm. Any applications submitted after that date/time will be classified as late applications and will not be considered in the initial selection process.

Students may be invited by some schools for an interview, audition, or additional assessments after April 5. Not all schools conduct interviews or auditions.

When will I know if my child has been offered a magnet seat?

Families will receive notification of magnet seat offers by May 22, 2019. Notifications will be communicated by email or text according to the notification method selected when families set up their account. Families must accept or decline offers by June 7, 2019.

Once a family has accepted an offer from a magnet school, they will receive a link to request transportation and information from the school to complete the enrollment and registration process.
