

Southeast Guilford High School

Sports Hall of Fame Guidelines

Organization

The Southeast Guilford High School Sports Hall of Fame will be a project of Southeast Guilford High School in cooperation with the Athletic Department and administration. Sports Hall of Fame selection committee must approve all inductees. Sports Hall of Fame inductees will be recognized at a home football game designated by the Athletic Director.

Selection of Inductees

Members of the Hall of Fame will be selected by a committee that will include the following:

- SEHS Principal
- SEHS Athletic Director
- Up to six community representatives (with knowledge of SEHS sports history)
- One media person

Selection Process

The selection committee will choose inductees in a closed meeting.

There will be no set number of inductees per year.

The committee will choose inductees based on the following criteria:

- All nominees must have significant SEHS connections
- All player nominees must have graduated from SEHS at least five years prior to the nomination
- All coach nominees must have served for at least seven years as a varsity head coach.
- Athletes, coaches, officials, sports writers, or any person who made or is making a major contribution to the development of sports and is of the highest moral character shall be eligible.
- The nominee may be living or dead
- Once the nominee is nominated, they will be considered eligible for induction annually
- The decision of the selection committee is final
- The nomination form will be sent with a deadline for receiving the form back.

A banquet will be held on August 30, 2019 with a charge of \$20 per person and the induction ceremony will take place during halftime of the Varsity football game on Sept 1, 2019. We will honor our inductees with a permanent Honor Roll which will be located in the lobby of the gym.
