
LETTER FROM OUR PTA PRESIDENT

Hello Simkins Elementary Parents and Staff,

My name is Sabrina Greenfield and I have the privilege of serving as your new PTA President for the 2019-20 school years. I am very excited for the year ahead. I look forward to meeting and seeing all of you. The PTA plays an important role because it brings together the efforts of parents and teachers to help make Simkins Elementary the best learning environment for our children.

This year we will also focus on three key areas:

Increasing PTA membership – We need help from all of our parents and teachers to continue putting on family programs and raising funds to support school initiatives. By becoming a member of PTA and attending meetings, parents can also stay informed of the events and decisions taking place at our school. The more members we have, the bigger our voice!

Fostering parent and teacher involvement- At Simkins Elementary, we are more than just a school, we are a community. Each parent and teacher is a valuable contributor to our children's education. Through PTA we can collaborate on the issues that affect our children inside and outside of the classroom.

Communicating more effectively – The PTA will work with school administration to keep parents up-to-date on upcoming events and important school information. In addition, we encourage teachers and parents to provide input throughout the year to address any needs or concerns.

The Simkins Elementary PTA is looking forward to providing enriching and enjoyable programs and activities for the staff, students and families at Simkins.

If you would like more information about Simkins Elementary PTA or how to become a member or volunteer, please feel free to contact the PTA at simkinsptasharks@gmail.com

Sincerely,

Sabrina Greenfield
