

# How to Access GCS Google Apps?

(Students and Staff)

1. Open Google Chrome or Edge browser and visit the following URL: <https://drive.google.com/a/mygcsnc.com> ([Links to an external site.](#))
  - i. If you are inside of the GCS network or are connected via Virtual Private Network (VPN) you will be taken directly to your google drive.
  - ii. If you are opening from home or public internet and are not using VPN you will need to authenticate with your Active Directory username and password first.

Note: This is the account that you use to login to the network when at GCS.

- Type you gcs email address (ex. [jenkins3@gcsnc.com](mailto:jenkins3@gcsnc.com)) **NOT YOUR GOOGLE USERNAME!**  
Type your network password.

- v. After clicking OK, you will need to Accept terms for Google Drive and then you will be taken to the Google Drive as shown below.
