Daily Schedule for Virtual/Remote Teaching and Learning

Teachers will provide daily Synchronous (Live) and Asynchronous (assignments or recorded lessons) for students. The synchronous (live) lessons will be 30 to 45 minutes of each block and the rest will be asynchronous.

Friday will be a day for teacher professional development, student conferences, individual or small group meetings at the schedule times. Students may access their teachers during the Friday office hours. All instruction on Friday will be asynchronous.

All synchronous (live) lessons will be recorded and available for students in Microsoft Teams or Canvas.

Students should attend the synchronous (live) lessons.
