

Mrs. Renee` Lipscomb

Hi! My name is Renee` Lipscomb. I live here in Greensboro but grew up in Thomasville, NC. My husband and I have been together since 10th grade and married for 13 years. I have an 8 year old daughter named Aarilynn and a 9 year old niece name Jamie. They are doing remote learning as well at The Experiential School of Greensboro. We also have a 13 year old Border Collie named Gir. Aarilynn visits our class from time to time, so you may have the chance to meet her. She loves coming to help my friends in class.

I was a NC Teaching Fellow and graduated from UNCG in 2006. I have been teaching with Guilford County Schools ever since. I have taught itinerant EC Preschool and spent 6 year teaching Inclusive Pre-K at Gateway Education Center right next door. This is my second year at Bessemer Elementary.

I am so excited to start a new school year! I know this year will be different, but Tarcher and I are going to do everything we can to support our families and make this work. Please reach out to us if there is anything you need. We look forward to working with your child and getting to know your family.

Ms. Tarcher Fuller

Hello, my name is Tarcher Fuller. I'm originally from Hampstead NC, which is near the beach area. I have one son that is 24 years old and he was diagnosed with Cerebral Palsy at birth due to being a preemie.

I have been at Bessemer Elementary for 10 years working with EC Preschoolers. I have been working with children since 1994.

I earned bachelor's degree in early childhood education from University Mount Olive and a master's degree of Human Service from Capella University.

During my free time I like to shop and read. I also return home to enjoy my family and the beach.
