Dear Christine Joyner Greene Families,

It is with great enthusiasm that I introduce myself to you as your new principal at Christine Joyner Greene Education Center. CJ Greene has an honorable reputation for serving students with unique learning needs with care, compassion, and dignity. I am honored that I have been given the opportunity to serve our students, their families and this community.

I'd like to tell you a bit about myself and in the near future, I look forward to being able to meet you in person and share our hopes and dreams for CJ Greene.

I started my career as an elementary teacher in this very community at Jamestown Elementary in 1997. After seven years as a classroom teacher, I worked as a curriculum facilitator and administrator in Guilford County Schools. As an educator, much of my leadership has been at the high school level. I've had the honor of overseeing students with disabilities at the secondary level for nearly 12 years. I also worked as a program coordinator for a therapeutic program in Alamance County. I currently work at Page High School as an assistant principal.

My appointment as CJ Greene's principal brings me great joy; I have great anticipation of what the future brings. I am confident that leading the CJ Greene faculty, working with CJ Greene families, and partnering with the community will absolutely and positively effect change in the lives of our students and families. Effective July 1st, I will start as your principal. During these next few weeks as I transition, I will seek opportunities to meet parents face-to-face, practicing social distancing, after my official start date. In the meantime, I would enjoy meeting as many parents, families and care givers virtually and have scheduled four 45-minute virtual meet and greet sessions through Microsoft Teams. The schedule is below on the following page. I will be in touch via connect-ed messages with more details.

As we begin the 2020-21 academic year in August, let's begin by working together to ensure that our students have the opportunity to grow, develop, and graduate with the skills and experiences needed to support each of their post-secondary goals. I am looking forward to meeting each of you soon.

Committed to Excellence,

R. Folicie Bailey
