

**Guilford County School** will assume **all teaching responsibilities** beginning the week of September 8<sup>th</sup> with LIVE instruction. The schedule below will be followed beginning 9/8/2020 through the remainder of the first quarter. If there is a decision to extend remote learning, Jackson Middle School will continue this schedule until students resume face-to-face. The following schedule outlines when teachers will hold “live” (synchronous) instruction, as well as (asynchronous) instructional days and when students are expected to meet with their teachers remotely. Encore will meet on a A/B rotation.

Students will follow their individual schedules. Lessons will be recorded for students to access if they cannot meet at the scheduled time, **however students are responsible for communicating with their teacher if he/she is unable to attend**. Students will be responsible for completing assignments for all classes daily per the teachers’ discretion. We appreciate your understanding and flexibility.
