

Logging into ZScaler

Open Google Chrome and go to the website you want to visit. Or you can go to <http://www.office.com> which should also prompt the ZScaler signin.

Use your GCS Microsoft Login – StudentID#@stu.gcsnc.com. This tells ZScaler you are a GCS student.

Sign In

To keep you safe from internet threats, please sign in to your company's security service.

User Name

Sign In StudentID@stu.gcsnc.com

Need help? Contact your IT support.

You will then be asked to login a second time. Use the same username (StudentID@stu.gcsnc.com) and your GCS password.

Why ZScaler?

ZScaler filters the internet to keep students safe from harmful websites and resources. Until you sign into ZScaler, access to many websites on the internet will be blocked even if they're not harmful. Sign-in to access what you need!
