

The members of your student services team are a school counselor and a school social worker. Together we will provide supports to our gator community. Areas where we support include student success, attendance, individual, group, and classroom counseling. This will be our first year working together and are excited in how we can support our GATORS!

STUDENT SERVICES

Welcome to the 2021-2022 school year!!!

Deneé Tinsley—School Counselor

1st year School Counselor

Graduated from Longwood University with a Master's in school and Mental Health Counseling.

How I support our learning Gators:

- Individual Counseling
- Group Counseling
- Gators Positive Success

Fun Fact: I love to cook and bake!

Michelle Brewington, School Social Worker

22 years as a school social worker/5 with GCS
Returning to Gillespie for third school year
Earned a Bachelor of Arts (BA) in Psychology from Spelman College

Earned a Master's in Social Work (MSW) from UNC-Chapel Hill

Social Work Services Include:

- Tracking Attendance
- Helping with needed resources
- Advocating on students'/families' behalf
- Providing a friendly, listening ear

Fun Fact: I love to sing, dance and love to laugh!
