

Connect-Ed Message 08/14/2022

Good evening Wildcat Families, this is Principal McNeill with your weekly updates. I hope that everyone enjoyed the weekend. Tomorrow is the first day of school! I hope students are prepared for the Best 1st Day of School Ever! We ask that students arrive between 8:00 - 8:20 if coming by car. Buses will unload at 8:00.

This week all students will receive a new Guilford County Schools One Card. Students should wear their ID card in a visible manner and use it to scan in each morning, in the cafeteria line, and on/off the school bus. We have lanyards available or students may wear their own. Please encourage your student to be responsible with his/her One Card.

Also, cell phones and similar devices are not allowed during the school day. Students should turn them off once they arrive to school and put them in their bookbags and may access them again at dismissal. Phones will be confiscated if used or visible during the school day. Parents may pick up these devices. Please have a conversation with your student about the school device policies.

I would like to bring to your attention Eastern's dress code: shorts, skirts, dresses and skorts should not be higher than mid-thigh. If your student is wearing shorts or jeans with holes, we ask that the holes are no higher than mid-thigh or students should have tights or leggings underneath. Shirts should come down to your student's waist, their mid-section should not be visible. Lastly, all shoes will need to be attached to the student's foot.

I want to encourage parents to sign up for EGMS remind101 account to help keep you informed of important school messages. The EGMS remind101 account information was included in the welcoming letter mailed home to families. If you have not already done so, please sign up using the code @e2a7bgc.

If you have any questions or concerns, please do not hesitate to reach out. Enjoy the rest of your evening.
