

Connect-Ed Message 09/04/2022

Good evening Wildcat Families, this is Principal McNeill with your weekly updates. I hope that everyone enjoyed the labor day weekend. Parents as a reminder, there is no school on Monday. We continue to experience cases of Covid in our school and community. The current protocol for individuals who test positive is to enter isolation for five days and then return to school wearing a face covering for at least five days. **Please help us by notifying the school** if your student test positive for Covid. The most recent trends are allergy-like symptoms and a cough. If your student is displaying any symptoms, please keep your student home. Thank you for helping to keep everyone healthy and safe.

We are encouraging all parents to join Eastern's PTA this year. There is an opportunity to join and vote candidates into office at our first PTA meeting which will be held Tuesday at 5:30. We hope that you join us.

We are in the process of preparing chromebooks for deployment. There are a lot of chargers that were not return last school year. Please check your home for any chargers.

Please remind your student to grab their onecard prior to leaving the house each morning.

The application window for free school meals is now open. The federal program that provided free meals for students for the past two years is over. Families will now have to apply for free school meals. It is important to have this form filled out by the sixth week of school to ensure you do not have to pay full price for meals. Filling out an application is easy and can be found on our website or at [www dot lunch application dot com](http://www.dotlunchapplication.com).

Year books are now on sale online for \$26 until October 7th. After October 7th the prices will go up. You can find the link on our website.

If you have any questions or concerns, please do not hesitate to reach out. Enjoy the rest of your evening.
