

Dear Parent/Guardian,

11-3-21

Due to the interest of several students, a new club, "Impact," (club was named by the students in 2014) began on April 3, 2014 at Northwest Middle School. This is an extracurricular, Christian faith-based club that will meet every Friday before the regular school day from 7:30 – 8:00 in Mrs. Matherlee's room, #216. Several area pastors and possibly some high school students will help lead the middle school students. Meetings consist mainly of Bible studies, discussions, encouragement, Christian videos such as *Facing the Giants*, prayer and some music time. Students may attend as many meetings as they'd like. If you are in favor of your child attending "Impact," please sign, date and return this form to the sponsors. (Also, each year we typically give students a Life Book.)
