Mission

Dedicated to providing an emotionally and physically safe, positive, and nurturing environment for all in our quest for academic, social, and personal excellence, as we strive to become contributing members of society.

Vision

Committed to providing a quality learning environment in which all students can achieve academic and social success through the arts and global studies.

The Academy at Lincoln is a unique magnet school offering a variety of different options. With magnet themes of Global Studies and Performing Arts, students can receive instruction in core standards with an enriching extended curriculum for their chosen track. In addition, the school houses the GCS Very Strong (VS) program for advanced learners in grades 4 through 8.

What We Offer

- Teachers weave the arts into their instructional strategies. Specialists teach the formal study of orchestra, band, chorus, dance, theatre and visual arts.
- The global studies curriculum promotes creativity and problem-solving through interdisciplinary units of study. These units of study focus on a variety of topics including education, environmental conditions, cultural technologies, and governance policies of other nations.
- The four pillars of curriculum are geography, environment, culture, and current events.
- The Performing Arts track offers students the opportunity to excel in their chosen area of interest: theatre, dance, chorus, piano, orchestra, band, visual arts, modern music production or world music. Basic knowledge and deeper understanding gained by practice and performance.
- A variety of clubs and activities to help nurture students' interests and talents beyond the classroom.

Points of Pride

- Arts-filled environment makes learning come alive by allowing students to express themselves creatively, build self-confidence and develop a lifelong love of the arts.
- The Global Studies program engages students in diverse cultural environments by exposing students to the international world in both core and encore curricula.
- The Academy at Lincoln offers a diverse student and teacher population allowing for the opportunity to better understand the global world, as well as the world that surrounds us.
- Student-centered, and our students are supported by outstanding teachers and a dedicated parent base.
- The Academy at Lincoln provides the opportunity to earn high school credits within targeted pathways.
- The Academy at Lincoln offers academically rigorous programs that prepare students for various high school options.

Students in the Program

- Receive a high quality, well-rounded education for our diverse learning community.
- Will be given access to rigorous academics, exemplary arts education, and a focus on global citizenship.
- Will be prepared to be leaders in their communities by modeling integrity, respecting our diversity, and achieving success through self-discipline and responsibility.
