Ternale Robinson
Assistant Principal

January 20, 2022

Dear Parent/Guardian:

As a parent/guardian of a student at Sedalia Elementary, I am writing to let you know that the North Carolina State Board of Education designated Sedalia Elementary as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school. As ESSA Section 1111(d)(2) stated, North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina have an underperforming subgroup. This opportunity intends to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction. **Sedalia's targeted areas:**

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Multi-Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

Thank you for all you do at Sedalia, Where We Ignite Learning for All Students!

If you have questions, please contact the school at 336-449-4711.

Sincerely,

Melinda Mayhew
