

Summer Enrichment

The AG Department sponsors multiple summer programs, which are FREE to eligible students. When applicable, lunch and transportation are provided. For more information, click on name of the summer program.

AG Explore Camp

A weeklong* experience for rising 4th - 6th graders. Held at two district elementary schools, students explore new concepts and unique ideas in an engaging way.

Academic All-Star Camp

A 3-week* experience for rising 9th graders. During the camp, students engage in hands-on, problem-based learning experiences designed to equip them with the skills needed for honors and advanced placement courses.

Advanced Placement (AP) Bootcamp

A weeklong* experience. Students new to AP courses are encouraged to participate in daily online sessions with experienced AP teachers. Sessions are offered for: AP Math, AP English, AP Science, AP History, AP Social Science, and AP Computer Science.

***Program Hours:**

**AG Explorer and Academic All-Star are offered Mon. - Thur.
AP Bootcamp is offered Mon-Fri**
