Special materials needed for presentation (projection, etc.):

Comments (such as additional languages spoken) or suggestions:

Please forward this form and attachments to: ParentAcademy@gcsnc.com

What is it? Guilford Parent Academy is a dynamic set of workshops, seminars and classes that will be offered at various locations throughout the community.

Purpose: Part of the Guilford County Schools' Strategic Plan 2012, Guilford Parent Academy seeks to partner with organizations that offer parent education and family support around Guilford County. The goal is to increase parent participation in seminars by making them accessible, affordable and well-publicized in all regions of the county. Its four major strands: **tools for parents, health and wellbeing, school success, and personal growth and development for parents** have the common objective to build stronger families, healthier citizens and better-educated young people. Accomplishing these goals will create a stronger community as well.

Workshops: Parents can register for workshops through the website or paper application forms. Additional workshops will be added as needs are recognized. Most workshops are anticipated to last approximately 60 minutes.
