The Middle College at UNCG was established on August 10, 2011. The Middle College at UNCG prepares students for careers in the medical and human sciences field through a student-centered curriculum that includes a unique, corporate work-study program. Leadership Skills, Character Development, and Service Learning are also emphasized throughout the program.

#### Curriculum

The Middle College at UNCG offers an honors, AP-based, and dual enrollment curriculum that gives students the opportunity to earn up to two years of college credits beginning in the freshman year. These courses serve as an essential foundation to prepare students to pursue a degree in the health/medical fields. Our Pathway careers program (Pathways) provides students career exploration, job shadowing, and internship opportunities designed to help them be college, career, and life ready.
