Review Tricky Words

Number Practice

Rainbow write numbers 1-10. Be sure to use 3-4 colors for each number. If you can go higher than 10, see how high you can rainbow write your numbers.

Letter Sound and Word Practice

Using sticky notes or post it notes, make letter tiles. Write one letter on each sticky note. Using the sticky notes, build CVC (consonant, vowel, consonant words). Start with one word such as dog. Try changing one letter to make a new word. Continue to do this to practice building words.
