Important Information Regarding Continuing Education Credit History

Please be aware of the following situations related to the Continuing Education Unit (CEU) History through the Employee Self-Service portal:

Digital learning credits are not displayed, but are included in the ‘Total’.

CEUs from courses completed in the new Performance Matters Professional Development Platform (from October 31st forward) are not currently displayed.

We are working to resolve both of these issues. Teachers who are on a 5-year renewal cycle expiring June 30, 2019, will receive an email in February from Human Resources with total CEU credits earned as well as a breakdown of the CEUs by category.
