○ **Step 2** – Turning on your GCS iPad

- Upon pick-up, your GCS iPad should already be charged and powered on but may be in **sleep mode** upon opening the case. This is indicated by a **black** or blank screen.

- To wake the iPad, simply press the **Power Button** once on the top right corner of the iPad.

- If the iPad is completely powered off, meaning, pressing the power button did not awake the screen, you will need to **press and hold** the **Power Button** until the iPad Apple appears on the screen as below. Then, wait for device to power on.

- If this still does not power on your device, you may need to plug in and charge the device. Then repeat the previous step.
- **Step 3** – Logging into Canvas
