3-Step Registration!

**Step 1:** Login to the SchoolMint online registration system at [https://gcsnc.schoolmint.net/](https://gcsnc.schoolmint.net/)
- Need a SchoolMint account? [This video](#) can assist in creating an account.
- If you need assistance with SchoolMint, please contact the GCS Student Assignment Office at 336-370-8303.

**Step 2:** Complete the virtual school registration in SchoolMint.
- See the [video guide](#) for assistance.

**Step 3:** Check the email address or text message that you registered with to review your confirmation.

It’s that simple...1 - 2- 3! You will receive information regarding next steps soon. If you have questions prior to a staff member contacting you, please contact virtual-schoolregistration-inquiries@gcsnc.com

## REGISTRATION FAQs

**How do I register?**
Apply online at [https://gcsnc.schoolmint.net/](https://gcsnc.schoolmint.net/)

**When can I register?**
The registration period opens July 14, 2020 and closes August 1, 2020.

**My child is not a student in Guilford County Schools. Can I still apply?**
All school aged children that reside inside the Guilford County limits are eligible to register to the Guilford eLearning Virtual Academy/ Guilford eLearning University Prep

**Can I withdraw my registration after I submit it?**
Yes. If you change your mind after registering, login to SchoolMint to withdraw your registration.
Can I transfer back to my zoned school during the school year?
Yes. Contact Student Assignment to request a transfer to your zoned school at the end of the semester (grading period).

Can I transfer back to a Magnet, IB, and Early/Middle College?
Yes. Students will not lose their seat and may return to their choice school at the end of the semester or end of the school year.

Can a student withdraw from the virtual school and go back to their home school at any time?
Students will only be able to transfer schools at the end of the year or the end of the semester. The virtual schools are for families making a long-term commitment to online learning. Students who will be successful in these schools have the discipline to devote themselves to learning at home by engaging instruction in a virtual environment. Learning will be a mix of live lessons from GCS teachers and staff, similar to a classroom environment, and independent study, allowing for a flexible student schedule.
