SCHOOL INFORMATION AND DESIGNATIONS

SENIOR ACADEMIC RECOGNITION - Seniors will be invited to attend the Awards Day Ceremony based on the following criteria:

- Community Awards - Determined by selection criteria for individual awards.
- Departmental Awards - Teacher selection.

ADDING, DROPPING OR CHANGING COURSES - No teacher is authorized to drop or add a student from his or her roll without permission from Administration. Student and parent input was gathered during the 2022 spring course selection process. The course matrix was designed based on the aforementioned input. Unfortunately, due to the complexities of the course matrix and class size limits, students may not receive all courses requested in the during the course selection process. Schedule Change Request Forms should always be used by students to request a schedule change and very few changes will be eligible. If a student has been misplaced, i.e. a student does not have the prerequisite class for a course, the teacher will notify the counseling department for necessary adjustments. **Students will have up to and including September 7th during 1st semester and until February 7th during 2nd semester to submit a schedule change request form. No student will be allowed to request a change after these dates.**

ATHLETIC FEES – On May 9, 2017, the Board of Education approved the Superintendent's Recommended Budget that included a provision to charge athletes a fee of \$45. The fee is to be paid once annually, regardless of the number of sports a student plays. Parents may request a fee waiver if their child is approved for free or reduced lunch or if they meet other financial criteria.

Processes and forms have been developed to support families and school staff with the collection of fees as well as the process to obtain a fee waiver.

The following forms are found on the SWHS Athletics website as well as in the front office:

- [Athletic Fee Infographic](#)
- [Athletic Fee Information Sheet](#)
- [Athletic Fee Waiver Form](#)
- [Athletic Fee Waiver Appeal Form](#)

These materials are available in several languages. If you have questions or need additional information, you can contact Coach Christman, Athletic Director at christb2@gcsnc.com

ATTENDANCE – Please refer to the attendance procedures following the school information section. The Guilford County Board of Education Administrative Policy is included [here](#).

Students must go to the attendance office if they arrive to school late or for an early dismissal.

Students may not leave school without signing out in the Attendance Office. Even with parents' consent or knowledge, parents must call or come in to the Attendance Office to officially sign their student out. Failure to sign a student out is considered skipping (unexcused absence) and consequences will be assigned.

Students who are absent from school (excused or unexcused) are not allowed to attend or participate in any school related activity after school. If the absence is on a Friday, students are not allowed to attend or participate in any school related activity during the weekend.

If a student is absent he/she must bring an excuse to the attendance office **within three days** in order to have the absence excused. Failure to bring in a note affects the exam exemption policy.

AP TESTING ATTENDANCE

AP students are required to attend classes prior to AP Testing (if the test is taken in the afternoon) or after AP Testing (if the test is taken in the morning).

If students do not attend school before testing or return after testing and if they do not have PRIOR approval from a parent, they will be considered skipping (unexcused absence) and consequences will be given. If a student is not attending their regular class(es) on an AP testing day, parents must send in a note or call the attendance office to “check the student out” PRIOR to the absence. Parents cannot seek approval for their child to miss classes after the fact. Students missing classes on these days will jeopardize their exam exemption status.

Our expectation is that all students taking AP tests attend all classes prior to or after testing. In addition to missing instruction, there are major liability implications to be considered.

BACCALAUREATE - Local churches/synagogues will perform these services. They are optional.

BAND BOOSTERS - See the band director for additional information. Membership and information will be available at the first PTSA/Open House.

BODY SCANNERS - **Body Scanners** are installed at Southwest High school as the districts safety measures to provide safety at school sites starting the 2022-23 year.

- **Every person** entering our building **will travel** through the **Body Scanner**.
- The **body scanning** system **highlights and locates material** that is deemed to be in question on our school grounds.
- If there is a **ping** from the **body scanner**, we want to provide dignity and privacy as allotted. The ping you **redirect** you **to our threat resolution tables**.
- These tables are where an **authorized person will assist** you in identifying potential unlawful material. This may include searches and or seizures of items in and on your persons or possession. This step is to ensure **we are providing a safe environment** here at Southwest Guilford High School.
- **Body scanners** are located in the main entrance of our building and near the student parking lot entrance.
- After scholars successfully traveling through our **body scanning station**, they will be directed through our **one card** identification station and then have access to our building.
- The goal is to provide this same level of **safety for our sporting events and other school sponsored events** in the near future.

BETA CLUB - Beta Club letters will be sent to students after National Honor Society letters in the fall. Specific criteria and expectations will be included.

BOMB THREAT/UNDER SIEGE - All teachers will have designated areas to go to in case of a “bomb threat”. Teachers are to keep the students in the designated area. Students will be responsible for notes saying whether they have permission to leave campus. Any student who leaves without permission will be subject to disciplinary action.

Any student guilty of a bomb threat will be prosecuted to the fullest extent of the law as well as being recommended for long-term suspension.

If we are “under siege,” students will go to or remain in the nearest classroom and lock the door until help arrives. Students are not to get near the door after it is locked. Students should not run into the hallway for any reason. The staff has been trained to handle situations such as these.

Assistant Principal, Toby Blair, is the contact person.

BOOKS - Most teachers issue textbooks to students. Students have the responsibility for their textbooks. If books are lost or damaged, they must be paid for at FULL PRICE. If students do not return books, the outstanding obligation must be paid prior to receiving their report cards or graduation.

BUSES – Bus route questions can be answered by the transportation office. The number is 336 819-2990. Mr. Blair, Ms. Robinson, and Ms. Peel can answer bus questions and handle bus concerns/discipline.

CAFETERIA – MEAL COSTS

Cash and checks are accepted in the lunch line at all school cafeterias. Checks are preferred and can be made payable to your school cafeteria with the student's name in the memo section of the check. Do not send school fees, field trip money or money for other items in the same check for lunch money. Change is not given to students from checks. Also, online payments to students' accounts can be made through the GCS web page.

Guilford County Schools utilizes a computer-based accounting system. With this computer system, each child is given a confidential food service account. This system maintains the daily account balance including free, reduced or full pay meals.

If you have any questions concerning our check acceptance policy, please call 1(877) 891-5422. Your payment by check constitutes your acceptance of these terms.

Online Payments

Guilford County Schools accepts credit and debit card payments online through www.k12paymentcenter.com. Lunch Prepay offers great convenience and the following benefits:

- Quick and easy access to your student's meal account 24 hours a day, seven days a week.
- The ability to pay for multiple students' accounts with one single payment.
- The ability to look up your students' account balance, anytime, any place through the Internet.
- The ability to see 90 calendar days of purchases and payments.
- Automated notification, via e-mail, when your student's account balance falls below an amount you have set.
- Peace of mind, knowing that the money is being used for good nutrition.

Payments made using Lunch PrePay will generally be posted within 24 hours. No online payments will be posted to a student's food service account between 9 a.m. and 3 p.m. on school days while computers are being used to record meal activity. Payments made during this time will be posted to the accounts after 3 p.m.

A minimal transaction fee charged by the company providing the service will apply for this payment convenience.

For more information see "Help/FAQ" on www.k12paymentcenter.com.

CONFERENCES- If you have concerns about your child, call Ms. Gail Powell in counseling (336 819-2973) to schedule a parent-teacher conference. Conferences are scheduled at 9:15 a.m.-4:15 p.m. Academic and/or discipline concerns are best dealt with at the beginning of each semester or when they first present.

COUNSELING DEPARTMENT - Students may go to the counseling office before school, after school, and during their lunch. They may email their School Counselor and request a conference. They may stop by during class

change but the counseling staff will remind them that they will not be given an excuse to be tardy to class. Students who come to counseling without notes are sent back to class without notes. If counselors cannot see a student at that time, he/she will be given an appointment and sent back to class.

CUMULATIVE RECORDS – A record of the student's school activities is kept from kindergarten through twelfth grade. This record contains attendance, subject grades, health records, test scores, and other information. Discipline records are not kept in the cumulative record. The student's records may be reviewed by school personnel, parent, the student (if he or she is 18 years of age), and/or certain court officials and law enforcement personnel if properly authorized to do so. Whenever anyone outside the school views the record, a documentation log is kept so that all viewers can be identified.

CURRICULUM – For information on curriculum, please see the registration booklet, the GCS website or a school counselor. All students are given access to the online GCS registration booklet. You may also see our curriculum facilitator, Mr. Tim McLaughlin.

DRESS CODE – Students are expected to adhere to the Southwest Guilford High School Dress Code at ALL times while on campus and school related activities. Also see attached Dress Code and consequences.

DRIVER ELIGIBILITY - All North Carolina students under 18 years of age are subject to having their driver's permit/license suspended if they do not make adequate academic progress each semester or if they drop out of school. Adequate academic progress is defined as passing 70% of their classes each semester (3 of 4 for block schools). Students may regain their permit/license at the end of a semester by making adequate academic progress. Students must obtain a Driving Eligibility Certificate and transcript from their school to take with them to the Department of Motor Vehicles to receive their permit/license. The Driving Eligibility Certificate verifies the student is enrolled in school and made adequate academic progress the previous semester. See the Main Office staff for the Driving Eligibility Certificate.

ELECTRONIC DEVICES and ACCESSORIES - Smart watches, cell phones, headphones, iPods, remote controls, electronic games, headsets, earphones, ear buds, Bluetooth devices, chargers and any other audio or video device cannot be visible or audible during instruction. Teachers may allow students to use their devices for instructional purposes, students should only have their personal devices visible at the direction of their teacher while in the classroom. Students may use their personal devices during non-instructional times of day, however their personal device should not be audible to others. Students may not wear ear buds or headphones due to safety concerns. **The school is not obligated to recover lost or stolen electronic devices.**

EMERGENCIES – Southwest High has a First Responders Team in place. They have been certified in CPR and First Aid and can handle small emergencies (i.e. nose bleeds, sprains, etc.) until a parent can come pick the student up. If a parent cannot be contacted and we feel the need for further assistance, 911 will be called. Parents and students must keep contact information current with our Data Manager, Mrs. Kristy Cline. The school cannot be held responsible if the parent/student does not keep student information current.

EXAM SCHEDULE - North Carolina requires students to take the EOC (End of Course) test in the following courses: English II, Math I, Math 3, and Biology. Students must take the exam even if they are not passing the course. Our PARTICIPATION RATE depends on it. Our exam schedules will be announced in November for 1st semester and in April for 2nd semester. Career and Technical Education (CTE) classes will take state CTE-EOC exams.

Please do not schedule any trips during the last two weeks of each semester.

EXAM EXEMPTIONS

Students may exempt a teacher made final exam if they have an 80 or above in the course. They may NOT exempt a final exam in a class that has an EOC, GCSFE, or CTE Final Exam.

FIELD TRIPS – Students must abide by the rules set forth by the classroom teacher, Southwest Behavior Code of Conduct and Guilford County Schools Code of Conduct. Misbehavior will be dealt with accordingly. Students must remain in Dress Code while on field trips. **Permission slips must be signed by parents before the student is allowed to participate.**

FINANCIAL OBLIGATIONS Students who have financial obligations to the school must take care of them immediately. If students lose books, materials, uniforms, etc., they must pay for the lost items before others can be issued. If an item is found later in the year and is in good condition, the student's money can be refunded upon presentation of the original receipt.

FIRE DRILLS - A fire drill will be conducted once each month. Students are expected to follow procedures in a safe and orderly manner. There will be no talking during fire drills.

FLOWER DELIVERIES- Students are allowed to receive flowers and/or balloons at school however the flowers and/or balloons must remain in the office until after school. Parents need to remember glass vases and balloons are prohibited on the bus.

FOOD AND DRINK IN CLASSROOMS- All food and beverages should be consumed in the cafeteria and not in the halls, classrooms, the media center, or computer labs. No food or beverages should be taken from the cafeteria during breakfast (prior to the 1st bell) or following lunch breaks. Transparent water bottles with water in them will be allowed in classrooms.

GRADUATION - All seniors are REQUIRED to participate in the ceremonies and the practices that precede the event. Anyone missing designated graduation practices MUST have a legitimate reason and a note written by the student's parents. The senior advisor and the principal must approve the absence. Without approval, the student will not be allowed to "Walk" at graduation. ANY DISRUPTION AT GRADUATION WILL RESULT IN THE DIPLOMA BEING HELD AND THE STUDENT WILL BE REQUIRED TO SEE THE PRINCIPAL FOR A WORK ASSIGNMENT DURING THE SUMMER. Ten hours or more of SWHS community service will be REQUIRED for anyone disrupting or acting inappropriately at graduation.

GRADUATION REQUIREMENTS - (Also see registration booklet)

All students must have CPR training in order to graduate. Most students who took 8th grade PE/Health in the Guilford County Schools, have met this requirement. Students must also complete a Senior English Project.

NC SCHOLARS PROGRAM - (See GCS online registration booklet)

ONE CARD— OneCard is the Guilford County Schools student identification and access card. OneCard provides many functions including school attendance, identification, media center checkout, public library access, and more.

- Guilford County Schools is committed to the safety and security of all students, staff and visitors. OneCard adds an additional safety measure. Everyone on a Guilford County Schools campus will know in a glance who is official. It is a quick, effective way for emergency personnel, who may not be familiar with our students, to identify persons during an emergency incident. Providing a safe and secure environment will foster learning and assist in

security for everyone on campus.

- In addition to fostering a safe learning environment and enhancing school safety and security OneCard creates a feeling of unity among students; boost school identity and pride; and assists with building community partnerships.
- Each student will be issued a new OneCard at the beginning of the year. All students and staff will have photo IDs and are expected to wear them daily.
- All students who are car riders, bus riders and student drivers will be expected to enter the building through designated entrance areas using their OneCard. It is expected for students to wear their OneCard on a lanyard throughout the school day. Students can use their own lanyard as long as it is not inappropriate content on the lanyard.
- Students who lose their OneCard will have to pay \$5.00 for a replacement card.
- At Southwest Guilford High School, we are committed to the safety of our students and staff. Please help to keep one another safe on the Ranch where we all Belong by wearing your OneCard!

ONLINE COURSES – Underclass students taking online classes during the regular school day (9:15am-4:15pm) at SWHS must remain on campus for the time assigned for their online course. Students must check in with their site supervisor for attendance purposes every school day. Underclass students taking an online course in addition to the regularly scheduled 4-Block school day (9:15am-4:15pm) may complete that fifth course off campus. Seniors taking online classes, may work on their online classes off site only if the time assigned for the online class is 1st or 4th block. Seniors with an early release or late first block coupled with an online course block may arrive or depart campus to accommodate this paired block scenario. It is to be understood, however, that seniors, while they may leave early or arrive late because of unscheduled first or last blocks and online courses, are not to come to school and then leave, only to return again.

OUT OF SCHOOL SUSPENSIONS (OSS) - During Out of School Suspensions, students are prohibited from participation in and/or attending ALL school activities. OSS students are NOT permitted on any Guilford County Schools property at any time for any reason. This includes bringing or picking up other students.

PARKING LOT

Students are **not** allowed in the parking lot between 9:15 a.m. and 4:15 p.m. unless they have permission from an administrator. Students are not allowed to go to cars between classes. This may result of loss of parking privileges.

The parking lot is the property of Southwest Guilford High School and the Guilford County Board of Education. Vehicles that are used for the transportation of illegal drugs or weapons are subject to be searched and may be subject to the laws and jurisdiction of the High Point Police Department.

Only student drivers are allowed in the student parking lot. Bus and car riders are not allowed in the student parking lot before, during or after school. Student drivers are not allowed in the bus lot before, during or after school.

PARKING PERMIT AND FAILURE TO DISPLAY PARKING PERMIT - All students who park a vehicle on campus must purchase a student parking permit and pay online through K-12 payment center, located on our website and the GCS website. The cost is \$50.00. Students and a parent/guardian must complete a permit application found in the literature rack by the door into the front office, linked [here](#), or from our website. Students must bring their completed application, registration, receipt from the K-12 payment center, proof of license, and proof of insurance to Mr. Philpott or Ms. Karant to receive their parking pass.

Please see Mr. Philpott or Ms. Karant for questions regarding parking permits. All obligations must be satisfied before a permit is issued.

Parking permits must be displayed at all times on the rear-view mirror, with the permit number facing outward. The student who is originally issued the parking permit will be held responsible for any vehicle that displays the permit. Vehicles not displaying the permit are subject to be towed at the owner's expense and the student may be denied future parking privileges. Lost or stolen parking permits will not be replaced; a new one must be purchased if unsold spaces are available. If a student who parks on campus allows any student(s) to use his/her vehicle to cut class or leave school without following proper early dismissal procedures, the student with the vehicle will receive the same consequences as the student(s) who cut or left school without permission and will lose parking privileges.

Loss of parking permit and parking privileges may occur for unsafe, reckless or inappropriate driving in the parking lot or for excessive tardies to school.

Parking is not guaranteed for students who get their license once all spaces are sold. Parking permits will be sold throughout the year on a first come, first serve basis.

Below are the policies pertaining to students' cars/parking privileges:

1. Students must park in the student parking lots only.
2. Students are not allowed in the parking lot between 9:15 a.m. and 4:15 p.m. unless they have permission from an administrator.
3. There will be no leaving campus by car or otherwise during lunch periods unless the student is on work release, attend classes at Weaver Academy or have PRIOR approval from a parent through the Attendance Office.
4. Students are not to park in any area other than designated spaces.
5. **Careless and reckless driving on campus will be dealt with severely. In school consequences as well as loss of parking pass priveledgess will occur.**
6. Students may not drive over median or any other grassy areas.
7. SPEED LIMIT ON CAMPUS IS 10 MPH.
8. PARKING PERMIT MUST BE VISIBLE AT ALL TIMES.
9. Failure to follow these rules and those printed on the parking permits will mean revoking parking privileges and/or cars being towed without further warning.
10. Students and parents must sign all parking permit forms.
11. More than 3 unexcused tardies to school during each grading period will result in the loss of parking privileges for 3 weeks. Six or more excused or unexcused absences will also result in a 3-week parking permit suspension.

AUTOMOBILE SEARCHES: Students are permitted to park on school premises as a matter of privilege, not of right. The school retains the authority to conduct routine patrols of the student parking lots and inspections of the exteriors of student automobiles on school property. The interiors of student vehicles may be inspected whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials or other evidence of illegal activities are contained inside. Such patrols and inspections may be conducted without notice and without further student consent. Law enforcement may also be called to search student vehicles when, in the principal's discretion, a law enforcement presence would be helpful for any reason.

ATHLETIC DEPARTMENT

All sports are governed by the North Carolina High School Athletic Association (NCHSAA). Southwest High School participates in the Metro 4-A Athletic Conference. Member schools include: Western Guilford, Ragsdale, Northwest Guilford, Northern Guilford, Page, Grimsley and Southwest. Game admission fees are determined by the Metro 4-A Athletic Conference. Sport schedules and game locations can be picked up in the office, from the coach, or the Athletic Director or at www.cowboysports.org.

The Southwest Guilford High School webpage is our official website under athletics for all schedules, games, directions, notes, news, and anything that is important to SW athletics. It can also be seen at www.cowboysports.org.

RULES AND REGULATIONS

- a. **Academic/Attendance Regulations (State adopted)** - It is required by the NCHSAA that all athletes must pass three (3) subjects and be in attendance at school a minimum of 85% of the previous semester. Failure to meet these requirements will constitute the student being ineligible for athletic teams. Furthermore, the student must be in school on the day of the athletic contest in order to participate. Waivers of this rule are subject to the principal's discretion.
- b. **Southwest Behavior Code** - Athletes are always in the public eye. The way the athlete conducts him/herself at home, at school, on team trips, or on the playing field reflects on our school, the parents and the community. Severe problems will be reported to the Coach Christman, the Athletics Director, Principal Monell and the grade level administrator. Students may be removed from athletic teams for the REMAINDER OF THE SCHOOL YEAR for problems such as disrespect to coaches, stealing, fighting, drugs/tobacco/alcohol, social media issues and other problems that will have a negative impact on the image of the school.
- c. **Additional Training Rules** - Rules pertaining to specific sports may be required by the head coach. Each head coach is responsible for setting his/her training rules. The athlete is expected to abide by them if he/she accepts the challenge of being a part of that sport. Many coaches have separate team and training policies that are given to each student and parents at our Fair Play Meeting prior to the start of the season.
- d. **GCS Fair Play Rules/Policies**- In accordance with the rules of the NCHSAA, Guilford County Schools requires all student athletes/parents to attend 1 Fair Play Meeting per year. Students and parents are also required to complete and abide by the Fair Play Rules and Athletic Participation form before they can participate in an athletic contest. The Fair Play Policies include academic and attendance requirements, new 2.0 GPA policy, and residency procedures.

If there are concerns about the athletic program, please feel free to make an appointment with the Athletic Director, Coach Christman.

Insurance:

Guilford County Schools (GCS) furnishes an Interscholastic Athletic Insurance Policy which provides limited benefits for all students in the system who participate in high school sponsored and supervised interscholastic athletic activities. The policy provides excess coverage for a student with other insurance coverage, but it pays only when

other benefits have been exhausted. In cases in which a student has no other coverage with either a commercial insurance agency, Medicare or Medicaid, the GCS athletic insurance policy is the primary policy.

If your son or daughter should be injured while participating in a high school sponsored or supervised interscholastic athletic event, the following procedures must be followed to process a claim under the insurance provided by GCS.

- Pick up a claim form at your school.
- See a physician within 30 days of the injury.
- Complete and submit the Accident Claim Form. The claim form must be filed with the insurance company within 60 days of the injury and should include the Explanation of Benefits form from your primary insurance carrier. Please list below the name of your primary insurance carrier and policy number.

SPORTSMANSHIP MEETING - The NCHSAA requires all athletic participants to attend a pre-season meeting and all parents are required to sign a sportsmanship paper and receive a student/athlete handbook. Parents are required to fill out the Guilford County Schools Athletic Participation Form along with Fair Play Consent Form.

SPORTS PASSES:

1. **SPORTS FAMILY PASSES** - These passes will be sold by the Athletic Director at the beginning of the school year. The All Sports Pass will allow the entire family entry into all school sponsored regular season home games for the entire sports year. These passes **do not include tournaments or playoffs**.
2. **STUDENT ATHLETIC PASSES** - Passes will be sold to SW individual students only for a price of \$65.00.
3. **ABUSE OR MISUSE** - Anyone with responsibility for a sports pass must not allow the misuse or abuse of the card. Example: Do not allow anyone to use your card or bring visitors into the game without paying. Violation will result in the pass being withdrawn and the money forfeited.
4. **MUST SHOW PASS** – Passes must be physically presented at the gate in order to gain admission to sporting events. No photos of passes will be accepted. Nor will reciting of pass numbers satisfy the need to show the physical pass.

STUDENT DISCIPLINE CONSEQUENCES FOR RULE INFRACTIONS

At Southwest High School, students will receive consequences for poor choices that may include but are not limited to: warning, parent phone call, teacher-issued after-school detention, lunch detention, student contract, classroom timeout, conference with student, conference with parent, conference with support personnel, conference with administration, athletic coach/club advisor involvement (with possible consequences), Restoration Station (RS)/In School Suspension, and Out of School Suspension (OSS).

Detention: Detention is a disciplinary option that will be used by Southwest High School teachers and administrators to manage students that violate school and/or classroom rules. The student's teacher or administrator assigns detention. All detentions will be served with the teacher or administrator who assigns it or with his/her designee within the same department. Failure to serve detention will result in a referral to the office.

Restoration Station (RS): Southwest Guilford High School has developed a Restorative Practice Program that includes academic progress, character education, and community service. It is our belief that change in behavior will occur only when the student is given adequate opportunity to experience academic progress and character education that is proactive in modifying behavior. It is also the belief that the community service element offers the opportunity for the student to give back to the school climate something that was taken away by the misbehavior. Dress code is required for students who are in RS.

Classroom teachers provide regular daily assignments for students assigned to RS. The RS instructors monitor the academic progress of each individual providing assistance and support in keeping up with regular classroom instruction. Additionally, the RS instructors monitor and supervise activities that offer the opportunity for assigned students to make a positive contribution to our school climate. RS is assigned for a full day to students that have committed a major rule violation or display chronic misbehavior. Because this option is intended to be both a deterrent to future infractions and an alternative to Out-of-School Suspension, no misbehavior will be tolerated in RS. **Students that are removed from RS for misbehavior will be assigned Out-of School Suspension.**

Out-of-School Suspension: For infractions that are chronic or serious, Southwest High School will employ OSS to ensure the learning environment remains a stable and safe environment for those students that choose to abide by the rules of conduct.

SOUTHWEST HIGH SCHOOL DISCIPLINE PROCEDURES:

Parents and students are reminded that there are procedures that shall be followed in all cases of discipline with the Guilford County School System. Guidelines to be followed are:

1. Each student will be given the opportunity to tell his/her side of any incident to the school administration.
2. A student will not be suspended from school without the administration first attempting to notify parents or guardians that the student is to be removed from campus. **EXCEPTIONS** -Parents will NOT be notified if the student is married or over 18.
3. Every student will receive a copy of the Southwest Behavior Code of Conduct and the Guilford County Student Handbook. The Guilford County Student Handbook is the primary source for discipline procedures and should be referred to when questions arise.
